

# *The Ultimate Stowaway Casting Platform for Your Fishing Boat*

Dura Poly's stowaway casting platform can be quickly and easily assembled in under a minute. After use, it can be disassembled for easy storage. Each casting platform comes with all the hardware need to attach it to your inshore flats boat, bass boat, or other fishing boat. Use it for fly fishing, flats fishing, and bass fishing.

## **Specifications:**

- 100% poly construction
- 17.5" tall
- 16" x 29" deck
- 2.5" thick when disassembled.
